Dear Parents,

Whole Class Ensemble Tuition – Flute Lessons

As you are aware Year 3 are fortunate to be able to have Flute lessons on a Tuesday afternoon. Some children have expressed a wish to take an instrument home to practise what they have been taught.

If your child would like to take their instrument home can you please make sure that your household insurance policy covers the instrument in the event of theft or damage as once they go off school premises they are no longer covered by the school's insurance.

It is also important that the instrument is brought back into school on a Tuesday ready for the lesson, if they forget their instrument they will not be able to have this lesson!

If you wish your child to take an instrument home please complete the slip below and return to the Office.

Yours sincerely

Phil Duncan

Flute lessons

I do wish for _____ (child's name) to take a flute home to practise. I have checked my household insurance policy and confirm the instrument will be covered in the event of theft or damage.

Signed: _____ parent/carer Date: _____
