

## Bishops Lydeard School Association Golden mile sponsored event

The school is once again taking part in the Golden Mile Challenge. Each child will challenge themselves to complete as much activity as they can over the week commencing 22<sup>nd</sup> October. Children will complete laps of the playground, of which the perimeter has been measured and the number of laps each child completes each day will be recorded in the Golden Mile Database. Mr Duncan will have a record of how far each child has run.

Every child will be encouraged to take part and we are hoping that parents, friends and family can support us by sponsoring them to do as many golden mile laps as they can manage. The money raised will go towards the many projects the BLSA plan for this year including new outdoor play equipment, and the exciting outside area project.

We would love for all sponsor monies to be back with us just after half term and to encourage the children further, all sponsor forms returned to the school office by Friday 9<sup>th</sup> November will be entered into a draw for a prize (one each for KS1 & KS2). There will also be a small trophy for the child who covers the greatest distance over the week.

Thank you for your ongoing support
