Dear Parents and Carers,

Empowering Parents Programme

An exciting investment in our parent community:

We're pleased to share an opportunity for Bishops Lydeard parents and carers to take part in the **Empowering Parents Programme**. Your place is funded by the school, and we hope the sessions offer useful ideas and support for family life.

We know that children's learning and wellbeing are shaped by what happens both in and out of the classroom. We have listened to your views and want to offer support would be most useful to you and your families. Investing in training for our parent community is one way we can work together to support our children.

The next session is:
