Maths in action

Years 4 and 5 were working together this week during Maths. Owl classroom was turned into a shop and the children all had a £5.00 note to spend. There was lots of negotiation, maths in action and many happy customers. The children learnt to budget and spend wisely!

Class photographs next week

Whole class photographs will take place next Wednesday 2nd May.

Reading

Please remember to hear your child read at least five times a week. Five short sessions of reading is best. Please use the comprehension questions given to you at parents' evening to support your child with their reading as this will help them to develop their understanding of books and words.

Raffle Tickets

Tickets for the Summer Fete raffle were sent home in bookbags this week. Please return ticket stubs, money and any unsold tickets to the school office. The draw will be made at the Summer Fete on Saturday 9th June, 3.30pm.

Year 5 Charterhouse

There will be a meeting for Year 5 parents on Wednesday 2nd May at 6pm regarding the Charterhouse residential trip in June. Please do come along.

Healthy lunches

Please refrain from sending in sweets in your child's lunchbox. We are trying to promote healthy eating.

Don't forget your coats!

Please ensure that your child brings a coat with them to school, whatever the weather. We have been caught out this week with many April showers!

Curriculum overview

Please visit the class pages on the school website to view the learning objectives and topics your child will be covering this term.

Lost property and second hand rail

Please do come and look through the lost property boxes if your child has lost an item of uniform. They are full of jumpers, cardigans and jackets. Also, the second hand clothes rail is well stocked with summer dresses, t-shirts and other items, all 50p each.

This week Owl class won the attendance cup with 98.08% attendance and were rewarded with an extra session on the trim trail.
