NEXT EVENT....

Raisin' Funds

This week, we have sent home almost 170 boxes of raisins! We have set the children a challenge... when they have eaten the yummy raisins and the box is empty, please could they pop some coins inside and bring it back into school?

We have suggested that they could offer to complete chores or challenges for family or friends.

Pennies or pounds, everything helps when we're raisin' money for our school!

LAST EVENT....

Coffee & Cake

Thank you to all the parents and carers that came along to the Book Café at the World Book Day event and purchased hot drinks and cakes from us. Special thanks to Mrs Gigg for baking some delicious homemade cakes for us!

WE RAISED...

£79.06

THANK YOU

Thank you to everyone that kindly donated unwanted mugs to us last month. We now have almost 50 mugs to use for events, which will save us a substantial amount of money each year and be much better for the environment!
